Schools Linking Year 4

Dear Parents/Carers,

Our Year 4 children have a fantastic opportunity to take part in a Schools Linking programme this year. We will be linking with Farnham Primary School. Through the year, our two classes will write to one another, play some games as classes in shared online lessons and send photographs, mini videos, pieces of artwork

and poetry. All the work will be sent across by the teachers. Once they have got to know each other at a distance, they will then be meeting up face to face. We will be in touch again with more details later about this.

These are some of the questions linking will help us think about:

- ❖ **Who am I?** – *thinking about things that make us who we are.*
- ❖ **Who are we?** – *thinking about the similarities and differences we may share with others*
- ❖ **Where do we live?** – *learning about the places and communities we live in .*
- ❖ **How do we all live together?** – *thinking about how we all live, play, and work together so that everyone is treated fairly.*

As part of the Schools Linking, we hope to share photos of ourselves and our environment with our partner school and take part in an online video call with them. Please complete the attached consent forms regarding this: <https://forms.office.com/e/azrRbbHRc4>

We look forward to sharing our learning from the linking work through the year. If you have any questions, please get in touch with me.

Best wishes,

Miss Jamieson
