

Tuesday 21st July

Dear Parent/Carer,

I am very excited to tell you that we are busy planning a trip for the new Year 1 Class to Eureka on **Wednesday 30th September**. This will be to celebrate the topic 'How Have I Changed?' and our science learning about the human body. The children will engage in interactive exhibitions about how unique and amazing our bodies are and how we can keep ourselves healthy. Our trip will also include a Science Show focusing on the 5 senses as well as opportunities to explore Eureka's galleries. This will provide unique and memorable learning opportunities for children to make links to what they encounter in the classroom.

On the day the children will need to come to school in their full school uniform. We will be setting off from school straight after registration at 8.30am and we expect to be back at school for 3:15pm.

The cost of this trip is **£27.00** per child. The cost per child includes entry fee, workshop fee, fuel, insurance & transportation by coach. Please see the cost breakdown below:
Transport- £465 + Venue- £345.00 = £810.00/30 Children= **£27.00 Per child**

Consent/contribution is via Arbor and will be live for you to access from 01/09/2026. Please log on to your child's Arbor account and click on 'other items' the Eureka trip will be listed. **Consent/ Contribution deadline is 9am on Wednesday 30th September 2026.** Contributions are voluntary, however, should insufficient contributions be received, the trip will not be able to go ahead.

Children in Year 1 are entitled to universal free school meals and therefore the school kitchen can provide a 'Grab Bag' that includes a choice of sandwich, piece of fruit, flapjack/bun and juice carton for the trip.

If you would like your child to be provided with a packed lunch from school please order by clicking here:
